

LUMENA PLUS. AN ALL-ROUNDER FOR THE FLEXIBLE LIGHTING OF INDUSTRIAL FACILITIES.

- Lumena Plus is completely pre-assembled and can be mounted on walls and ceilings without further accessories. This saves time and costs and makes Lumena Plus particularly user-friendly and flexible to install
- Lumena Plus is officially certified by IDA Dark Sky
- Sustainability that remains economical: the increased energy efficiency minimises energy consumption and greenhouse gas emissions – reliably and in the long run

Lumena Plus

Mounting type
Outdoor post-top mounting
Outdoor directional mounting
Outdoor surface-mounting

Mounting location
Outdoor ground
Outdoor posts
Outdoor wall

Beam characteristic
asymmetric wide
asymmetric medium-wide
asymmetric narrow

Luminaire luminous flux
2,200 - 200,000 lm

Colour rendering index | Light colour
Ra > 70
2,200 K
2,700 K
3,000 K
4,000 K

Service life
L80 = 100,000 h

Luminaire colour
anthracite

Operating mode
switchable and DALI dimmable (ETDD)
switchable and dimmable (DMX)

Connectivity
Smart Lighting Ready (SLR)

Additional equipment
Power reduction, control phase (LR)

Accessories
Mounting accessories
Cross-arms
Wall mountings

All technical data including dimensional and weight specifications have been compiled with due care. Errors reserved. Possible colour deviations are due to printing processes. We reserve the right to modify in the interest of progress. Luminaires are partly shown with accessories that must be ordered separately. Images of installations may show custom-manufactured luminaires. This publication was printed on PEFC-certified paper in an environmentally friendly way.
